

ABOUT US

Flouwer Co. sprouted from a unique intersection of passions between two friends. Originating as an outlet, or perhaps more accurately, a shared passion project, our journey began when we, Theresa and Kristen, met as neighbors and became fast friends. Our connection was rooted in our enthusiasm for cooking and enjoying lively gatherings, often accompanied by a well-crafted cocktail.

Since formally establishing Flouwer Co. in 2019, we've blossomed into a company dedicated to crafting items that ignite inspiration, provide guidance, and elevate everything -
From Garden To Gathering.
