

# EASTER BUNNIES MADE OF EGG SHELLS

@lulu\_make

## MATERIALS NEEDED:

Kwik Stix, Wonder Stix, Egg Shells, Pipe Cleaners, Needle, Washi Tape

1. Using a needle make one hole on the top of the egg and one hole on the bottom. Blow the egg, rinse, and let it dry
2. Poke two holes on the top of the egg. Then put the pipe cleaners in them making an oval shape. Put a pipe cleaner in the hole on the bottom of the egg for feet
3. Use Washi Tape to section off your egg. Use Kwik Stix to paint your egg and Wonder Stix to decorate your bunny however you would like!

# TOILET PAPER ROLL BUNNIES

@1der.and.cre8

## MATERIALS NEEDED:

Kwik Stix, Toilet Paper Roll, Pom-Pom, Scissors

1. Cut a bunny shape out of the front of the roll, leaving the entire back half
2. Paint the grass (the inside of the roll) and bunny with Kwik Stix
3. Add a white pom-pom for a tail on the bunny and a little flower bow
4. Cut out the grass by making slits into the back of the roll
5. Draw a face on your bunny!

# EGG HATCHING PAPER PLATES

@greenelecticmama

## MATERIALS NEEDED:

Kwik Stix, Paper Plates, Construction Paper, Glue, Feathers, Googly Eyes

1. Cut paper plates in half with a zig zag pattern
2. Color them in with your Kwik Stix
3. Cut out a circle from construction paper
4. Color in the circles, paste googly eyes and a little triangle to make the face of a chick
5. Glue the chick onto the plates and add feathers!

# FLUFFY EGGS

@mamamakesital

## MATERIALS NEEDED:

Kwik Stix, Paper, Scissors, Stapler, Cotton Stuffing/Cotton Balls

1. Cut egg shapes out of paper
2. Decorate egg with Kwik Stix
3. Staple around leaving the bottom open
4. Fill with stuffing and staple close!
