HPV42K2A700

Videotec Housing with IPM Module
Camera Housing for IP-cameras

PRODUCT DESCRIPTION

▶ **Application:**

The HPV42K2A700 housing is made of most resistant techopolymer material in white creamy color. The installation is very convinient due to the side opening of the housing. This housing is also weatherproof with standard IP66. An IPM- Module is installed to give operating voltage to PoE IP cameras and GEKO IRH Illuminators.
