

NUUO®

NCS-BASE

NUUO CMS Base License incl. 48 Cam.
8 I/O Connections

PRODUCT DESCRIPTION

► Application:

The NUUO NVR-based Central Management System (NCS) is a powerful system designed for large-scale and high level enterprise projects. CMS can manage all NUUO product lines including NDVR Hybrid, NVR, DVR and NVRmini. The NUUO NCS supports unlimited cameras, I/O device, POS, servers and users. The controls and operation of NUUO CMS is clear cut and map centric. It has the most powerful alarm management system among all NUUO product lines and can control unlimited matrices viewing consoles in the centralized control room. NCS Matrix offers a video wall for users to get video and manage alarm efficiently and instantly.
