\*There is a Minimum Charge for small fleece/order. We handle each fleece separately, so it doesn't matter to us if your order is one fleece or ten. 2lb minimum-anything under 2 lbs there's an additional set up fee. Fleeces/orders under 1 lb will be charged for a minimum of 1 lb.

\*\*Important: Our spinning machine requires a minimum 3" consistent length to spin into yarn. If we are unable to spin into yarn, it will be returned as pindraft roving, if it is too short to be pindraft it will be returned as regular roving.
