Satin Photo Paper, 240gsm

This 10 mil high quality, resin coated photo paper's satin finish provides excellent drying characteristics that allow immediate use without smearing or smudging. It is designed to provide art reproductions and graphic exhibitions with high color density, optimal color gradation and perfect image sharpness.

Canon Photo/Glossy Papers

High-end photography and portraits demand excellent photographic paper, and Canon offers a wide variety to meet virtually every printing need. Accurate clear reproduction of digital images is a breeze with Canon photographic and glossy media options.

With Canon media, you can count on consistently superb image quality and product performance. Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.
