| Mounting | Free Standing |
| Lamp (Bulb) Description | 1 x 100W A-21 Medium Silvered Bulb Incandescent |
| Environment | Indoor - Dry Location |
| Dimming | Dimmable |
| Finish | Stainless steel |
| Technical and Product Description | Flos celebrates the sixtieth anniversary of the legendary Arco floor lamp with a limited edition exclusively available online. |

Designed by Achille and Pier Giacomo Castiglioni in 1962, the same year that Flos itself was founded, Arco holds a special place in homes and hearts all over the world.

The Arco K 2022 Limited Edition revisits the iconic floor lamp that revolutionized the design world.

The new K9 crystal base supports a spun aluminum reflector via a curved stainless steel adjustable stem, allowing the lamp to offer both direct and indirect light. The height extends to almost 7-feet, allowing for easy placement of a couch or table underneath.

INSPIRATION BEHIND THE DESIGN

The Castiglioni brothers drew their inspiration for the Arco lamp from something they saw every day: a streetlight. Using commercially available parts, they set out to design a piece that was technically innovative and visually appealing—a lamp that was functional but wouldn't need to be stepped around. They finished it with a marble base, knowing that the same weight would take up less space, allowing the Arco to live in—not take over—the room it illuminated.

Electrical

| | |
|-----------|---------------------------|
| Voltage | 120 |
| Switching | Foot switch on power cord |
| IP Rating | IP20 |

Physical

| | |
|-----------------------|------------------------------------|
| Cord Length (inches) | 106" - Black |
