

FLOS

Luminator, Anthracite - Specification Sheet by Achille and Pier Giacomo Castiglioni

Mounting	Free Standing
Lamp (Bulb) Description	1 x 8W LED R125 2700K - 720lm (included)
Environment	Indoor - Dry Location
Dimming	Dimmable
Finish	Anthracite

Technical and Product Description Designed by Achille and Pier Giacomo Castiglioni in 1954, the Luminator floor lamp remains modern and relevant as ever, now with a brand-new palette of striking pop colors.

As an homage to a "useful design", Luminator was conceived as an approach to essential function without sacrificing elegance.

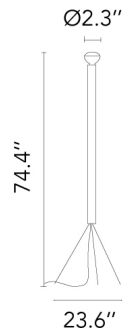

The Luminator floor lamp provides indirect lighting through a detachable metal tripod and painted iron tube, wide enough to contain the lamp holder.

LED light bulb with reflector and dimmer included. Available in its original anthracite, in addition to the four new colors: blue, white, yellow, and red.

● FU377233 Anthracite

Dimensional Image

Electrical

Voltage	120
Switching	0-100% dimmer installed on the cord
IP Rating	IP20

Physical

Cord Length (inches)	110" - Black
Construction Material	Stainless Steel
Weight	8.1 lbs

Certifications

Lamping (Bulb)
