

Environmental Policy

Moffett and Sons Limited is a professional and environmentally conscious organisation, which acknowledges the impact that our furniture sales, manufacture and installation may potentially have on the environment. The clear objective of Moffett and Sons Limited is to minimise any impact on the environment by:

- Preventing pollution, reducing waste and ensuring that wherever practical, measures are implemented to protect and preserve natural habitats, flora and fauna;
- Being committed to continual improvement;
- Considering the effects that our operations may have on the local community;
- Taking action to eliminate or reduce, as far as practicable, any potentially adverse environmental impacts;
- Promoting environmental awareness amongst our suppliers, contractors and partners by implementation of operational procedures;
- Seeking to work in partnership with the community by behaving in a considerate and socially responsible manner;
- Ensuring effective and expedient incident control, investigation and reporting
- Complying with all pertaining legislation and other requirements which relates to our environmental aspects.

Management and supervisory staff have responsibilities for the implementation of the policy and must ensure that environmental issues are given adequate consideration in the planning and day-to-day supervision of all work.

This policy shall be communicated to all employees and sub-contractors who are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own works, so far as is reasonably practicable, are carried out without risk to themselves, others or the environment. This includes co-operating with management on any environment related matter.

Moffett and Sons Limited will take all practical steps to ensure that potential hazards and risks to the environment are identified and that suitable and effective prevent and control measures are implemented. All employees will be provided with the necessary resources, equipment, information, instruction and training to fulfill the requirements of this policy.

The Directors have overall responsibility for all environmental matters. The operation of this policy and the associated procedures will be monitored and reviewed on a regular basis to ensure that they remain current and applicable to company's activities. This policy has been endorsed by the board of directors who give their full support to the implementation of the policy which is made available to all interested parties and the general public by displaying on our premises and on the company's website.
