Bec's family has been tending vineyards in the premium maritime region of McLaren Vale since her great-great-great grandfather, Thomas Hardy, arrived from the UK in 1850.

Today, Bec has two beautiful properties in this iconic wine region - the spectacular Topsy Hill estate and the Bec Hardy cellar door.

Topsy Hill is located in the Blewitt Springs area and offers one of the most stunning locations in McLaren Vale. The property is set high on a hill with spectacular 360 degree views across the region and is surrounded

by vineyards and a stunning garden, which is known as one of South Australia's most famous private gardens.

The Bec Hardy cellar door is situated in the eastern foothills of McLaren Vale and is surrounded by native flora and fauna with stunning views across the vineyards, offering a perfect backdrop for your special day.

Bec Hardy Wines offers a ceremony only option at Topsy Hill or a ceremony at Topsy Hill followed by a reception at the Bec Hardy cellar door.

BEC HARDY

A RELAXED AND NATURAL HIDDEN GEM

Located in the McLaren Vale foothills of the Mount Lofty Ranges, the elevated location of the Bec Hardy cellar door allows sweeping views across the vineyards

A lawn area is available for ceremonies, situated adjacent to the cellar door and overlooking the vineyards.

There are both inside and outdoor spaces available for drinks and receptions, including the newly renovated cask hall and the undercover deck where you and your guests can sip on sparkling while enjoying the view across the McLaren Vale wine region.

Adjacent to the vineyard there is ample space for a marquee, offering another option for your reception.

Please note that this venue can cater for a maximum of 30 people for sit-down and cocktail receptions.

Tipsy Hill

ESTATE

INTIMATE. EXCLUSIVE. MEMORABLE.

The Topsy Hill garden is one of the most well-known private gardens in South Australia and can accommodate intimate weddings for up to 20 people.

Planted 20 years ago by the original owner, Margaret Burrell, and designed by the renowned landscape gardener, Pam Hailstone, the 2.5 acre (1 hectare) garden is set on a sandhill with sweeping 360 degree views across McLaren Vale and the Mount Lofty Ranges.

The garden, surrounded by vineyards on all sides, is beautifully terraced with a real sense of the

Mediterranean. Imaginative plantings and the bold use of colour, set against the cobalt blue skies of McLaren Vale, means the garden looks beautiful all year around, perfectly framing those 360 degree views.

The Topsy Hill garden offers the perfect backdrop for your special day. It's a maze of exciting, smaller gardens all linked by paths and offers a variety of seats, arches, pillars, walls, hedges and a wisteria arbor, providing a choice of spaces for your ceremony and photos.

Please note that this venue can cater for a maximum of 20 guests.
