BEC HARDY 2020 ROSÉ South Australia

VINTAGE: The start of the 2020 growing season was dry with warmer than average temperatures. Heat and wind during flowering led to lower fruit set and subsequently lower yields at harvest. The temperatures became milder from late January, allowing the vines to recover and helping maintain acidity. Although crops were down considerably this vintage, they quality has been fantastic.

NOSE: The nose offers lifted aromas of strawberries with hints of floral notes and spice.

PALATE: The palate is light and vibrant with red berries and grapefruit, complemented by refreshing acidity and a clean finish.
