

# SOUTH AUSTRALIA 2021 ROSÉ

**VINTAGE:** There was fantastic winter rainfall during 2020 which ensured the vines were off to a fantastic start for the 2021 vintage. The weather during flowering was mild and not too windy which led to great fruit set. There was a major rain event during February so we ensured we picked our early ripening varieties such as Sauvignon Blanc before the rain. The dry weather following this event ensured disease didn't become a problem and if there was any berry splitting during this time the grapes had time to dry out and fall off before harvest.

The Indian summer stretched from March through to late April so the weather stayed mild and dry throughout harvest. The yields were higher than the past few years and the quality was fantastic. A brilliant vintage for the grower and the maker.

**STYLE:** This dry style Rosé is made from Pinot Noir grapes grown in a single vineyard McLaren Vale.

**NOSE:** The nose offers lifted aromas of strawberries with hints of floral notes and spice.

**PALATE:** The palate is light and vibrant with red berries and grapefruit, complemented by refreshing acidity and a clean finish.
