**Story:** Fresh and fruity with a gentle fizz, perfect for the warm summer months or simply because you like the sweeter things in life!

**Vintage:** Spring and summer were cooler than normal with above average rainfall and the 2017 vintage happened much later than usual. The combination of those factors and dry weather for most of the harvest resulted in higher yields and excellent quality across regions.

**Nose:** The nose offers aromas of crushed candies with lychee and floral notes.

**Palate:** The palate is refreshing with lychee fruit sweetness and a gentle fizz, with beautifully balanced acidity.

**Pairing:** A perfect wine for any time of the day, from breakfast with your Eggs Benedict, served over ice on a hot day after mowing the lawn or served with a light dessert such as pavlova with strawberries and cream.
