## Scarecrow 2018 Sauvignon Blanc

### Adelaide Hills

---

**Story:** Each vintage, the Sauvignon Blanc grapes are the first grapes to ripen in the vineyard. The scarecrow is still used as an effective deterrent to the local grape-loving birds and has also lent its name to our famous Sauvignon Blanc.

**Vintage:** The 2018 growing season started slowly, but warmer weather eventually helped to speed things up. Fruit set throughout the region was good and the low rainfall and warm weather from January to April resulted in great sugar development, while a cooler than average March offered ideal night temperatures for colour and flavour development.

**Nose:** The nose offers attractive, refreshing aromas of tropical fruits and passionfruit.

**Palate:** The palate is lively, bright and zippy with excellent tropical fruit flavours accompanied by hints of zesty lime.

**Pairing:** A great summer wine, equally at home on its own, at a picnic or with seafood dishes.

**Cellaring:** Drink now

**Winemaker:** Shane Harris
