

• UP TO AN 80-DAY SUPPLY •

AniMed's Vitamin E and Selenium oral feed supplement for horses is formulated to supply supplemental Vitamin E and Selenium that may be lacking or in insufficient quantities in the horse's normal diet.

FEEDING DIRECTIONS:

HORSES: 1 tablespoon per day top-dressed or mixed with feed daily. The large side of the enclosed scoop measures 1 tablespoon or approximately 1/2 ounce.

NOTE: One tablespoon provides approximately 625 IU of Vitamin E and 1.4mg of Selenium. This amount should not be mixed into a total daily diet of less than 11 pounds.
