PRODUCT FACTS

Active Ingredients Per Two Scoops (77g)

| | |
|---|----------|
| Cetyl Myristoleate Complex | 5,500 mg |
| Glucosamine HCl (May contain shellfish) | 3,000 mg |
| MSM (Methylsulfonylmethane) | 3,000 mg |
| Ascorbic Acid (Vitamin C) | 1,000 mg |
| Lecithin | 340 mg |
| Citrus Bioflavonoids Complex | 75 mg |

Cetyl M® Complex includes Omega 5 Fatty Acids that may help maintain inflammatory responses and promotes lubrication of joints.

Cetyl-M® uses a cool-pelleting process and a unique blend of plant-derived cetyl myristoleate complex for superior intake.

INACTIVE INGREDIENTS:

Dehydrated Alfalfa Meal, Dicalcium Phosphate, Dried Cane Molasses, Lignin Sulfonate, Natural Apple Flavor, Soybean Oil, Vitamin E Supplement

CAUTIONS:

Safe use in pregnant animals or animals intended for breeding has not been proven. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset. An examination from a veterinarian is recommended prior to using this product.

WARNINGS:

For animal use only. Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.

For use in horses only.

Recommended for support of joint health and function.
