## OMEGA HORSESHINE®

### *Omega Fields*

#### NUTRITION FOR A HEALTHY LIFE

#### *Hoof, Skin & Coat*

#### *An Omega-3 Supplement for Horses in All Life Stages*

#### **NOW with 10 mg of Biotin per serving!**

#### **Finest Quality, Award-Winning Nutrition**

May be used as an alternative for psyllium!

May be used for pregnant mares as a source of Omega-3 essential fatty acids for the growing foal. Low in Non-Structural Carbohydrates - specifically Sugar, 3.8% and Dietary Starch, 2.3%. Formulated with ground, fortified flaxseed high in Omega-3 - stabilized using Pure Glean process to maintain full nutritional value for 18 months.

#### **FEEDING DIRECTIONS**

Feed 1/2 to 1 standard measuring cup daily, top dressed over feed for 1000 lb. to 1200 lb. horses (adjust amount proportionally up or down per weight of horse; i.e. 1/4 to 1/2 cup for 500 lb. to 700 lb. horse and 1 1/2 to 2 cups for a 1500 lb. to 2000 lb. horse).

Recommended feeding directions for active or performance horse is 1 to 3 cups per day year- round dependent on weight of horse. Start gradually to suggested minimum daily serving.

Recommended short term upload when addressing skin, coat, hoof & joint problems - adjusted amount is 1 to 3 cups daily for 1000 lb. to 2000 lb. horse (adjust upload amount proportionally up or down per weight of horse). Continue upload amount suggested until problem is alleviated.

#### **IN EACH 1/2 CUP SERVING (85 g.)**

15.73 g of Omega-3

5.1 g of Omega-6

5.1 g of Omega-9

10 mg of Biotin
