PRACTICE TEST FOR THE Digital SAT®

- Module-wise tests
- 490+ questions
- Questions according to the Digital format
- Detailed answer explanations

Practice Tests For The Digital SAT is one of the first books that will give you comprehensive practice for the Digital SAT.

What does it include?

- 5 Practice Tests with each section divided into two modules
- 490+ Questions with varying levels of difficulty
- Verbal and Math questions crafted according to the new guidelines
- Detailed answer explanations to get a deeper understanding of questions
- Distractor explanations for analyzing the incorrect answers
- Exhaustive information on the exam pattern, question formats, and test-taking experience of the Digital SAT
- Access to Online Resources for a better prep experience

The practice tests in this book will prepare you to crack the digital test by giving you an early experience of practicing with the new format of questions. The questions are sorted into different categories predefined by the College Board along with their difficulty levels. This will give you practice across a wide-range of questions and help you recognize your weak and strong areas.

The questions are prepared by SAT experts with years of experience in the field. By strategically using these simulated tests and following the tips given in the book, you will become better equipped to sit for the test as well as ace it.
