Aussie Innovation

Product Information Sheet

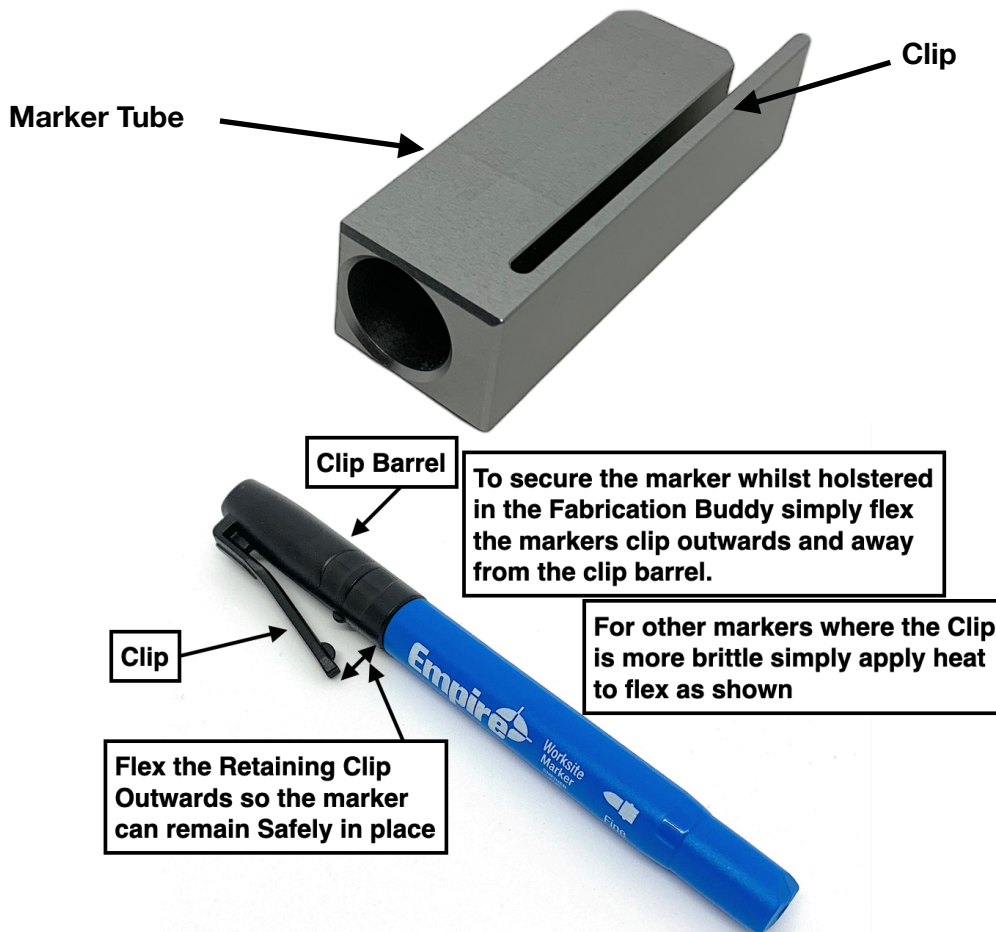

TIGWARE Fabrication Buddy Melbourne Australia

Colours: Various

Application. Fabrication Marker Holster

Material : 6061 Anodised Aluminium

Adjust the Buddies ability to stay in place simply by adding several layers of Heat Shrink. By adding the Heat Shrink the gap between the tube and the Clip is reduced making the unit more secure in your pocket.

Enjoy your new product and please let me know if you have any problems.

Regards John +61 (0) 448527996 / info@tigware.com.au
