PUTTING SOUL INTO GIFTING

Whether it's extending a warm welcome to a new client, elevating the experience for a valued VIP guest, saying thank you to your dedicated employees for their hard work and loyalty, or uplifting team morale, we're here to make things easy. Our expertise lies in sourcing the ideal hamper gift tailored to your needs.

Our gift hampers offer more than just a premium gifting experience. They represent a commitment to both society and the environment, as they support UK artisans and makers; you're not only giving something special, but you are also making a positive impact on local communities and sustainability efforts. By placing an order, you're really expressing confidence in UK makers and industry. How's that for a feel-good factor?

We've meticulously sourced items from conscientious creators across the nation, ensuring you have access to unique and top-tier gifts for your clients, partners, and teams.

You're in good hands with us.

HANDMADE IN UK

Made in UK Gift Hampers

Discover exclusive UK products showcasing cultural richness and creativity of the UK regions. Support traditional crafts and skills to enhance the cultural heritage of the area.

Easy-to-Use Platforms and Processes

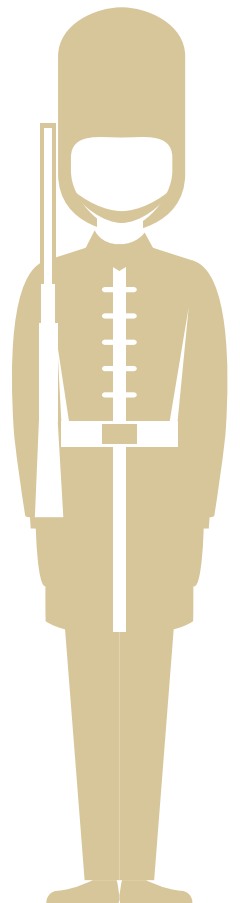

User-friendly website and corporate portal for seamless gifting. Use our LINK gift finder to select personalised gifts based on the recipient's characteristic offering a unique gifting experience beyond basic personalisation.

Unique Curated Premium Range

Whether they are established award-winners or newly found talents, we search across the nation to unveil the finest offerings in the UK.

Eco-Friendly

Opting for ethically sourced, eco-friendly gifts from local producers not only benefits your business but also showcases your company's commitment to corporate social responsibility and reputation.

Artisanal and Diverse Makers

Our gift selection focuses on skilled, local creators, sourced from craft fairs, food festivals, local markets, and small business directories to find truly exceptional products. Emphasise your ethical, supporting local, and sustainable values through your gifting.

Gifting Advisory and Concierge

Send us an email or skip the tech and call us with your needs, and we'll take it from there. Tailor gifts based on recipient's preferences. Prioritise the person over the budget by tailoring gifts to fit their preferences.

Beautifully Packaged and Delivered

Each gift and hamper is meticulously packed in our distinctive white gift boxes, designed with both the environment and your recipient in mind. We offer direct delivery options for single or multiple locations.

Go Bespoke

Whether it's selecting a ready-made hamper, customising with a simple item swap or creating something entirely unique, our team ensures each hamper is tailored to perfection. We'll also include your personalised messages on complimentary postcards.

GIFTING WITH US IS A BREEZE

We understand that many customers see gift-giving as overwhelming and time-consuming, but we're here to make it easier for you.

Let's begin crafting your gift hamper.

HAND-PACKED WITH LOVE

Each hamper is thoughtfully hand-packed in our signature white gift boxes, crafted with care for both the planet and your recipient.

Our hamper boxes hold eco-friendly credentials, being fully recyclable and made from luxurious 1200gsm board, incorporating 40% recycled materials. Each box is securely sealed with an internal magnet for added peace of mind.

Inside, your gifts are nestled in natural wood wool filler, sourced exclusively from the sole manufacturer of wood wool using sustainably sourced British timber. This filler is not only protective but also eco-conscious, as it can be reused, composted, or recycled.

Adding a final touch of elegance, each hamper is hand-finished with ribbed ribbon.

For secure transit, your hamper is placed in a 100% recyclable brown mailing box made of corrugated board. For events, we provide you with a stylish recyclable paper gift bag.
