SYM-MAT®

A DOOR MAT FOR TRUCKS

from the makers of
SPRAY GUARD® RAIN FLAPS

The **SYM-MAT®** is easily installed on the step rail or cat walks of most conventional tractors. The quick fastening system allows for permanent or temporary installation.

The laminated polymer turf makes the **SYM-MAT®** the most durable and effective material available for use as a door mat.

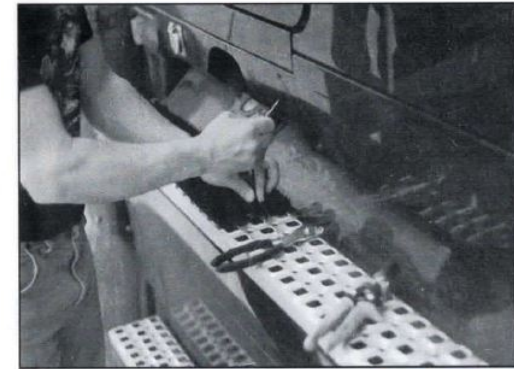

If you are looking for the product that will help keep your cab's interior clean, install a **SYM-MAT®** today and **leave the dirt on our mat, not yours!**

SYM-MAT® was designed by a trucker.

INSTALLATION...AS EASY AS...

1. Feed TY-RAP's through openings in step rail.

2. Feed TY-RAP's through holes in **SYM-MAT®**

3. Insert into locking slot, tighten, cut off excess tie.
