ITALIAN SUMMER

A woman is seen from the back, wearing a white, short-sleeved dress with a patterned headscarf. She is standing in a courtyard with a stone wall and a potted plant in the foreground. The background is slightly blurred, showing a building and a window.

SEP Italian Summer

The SEP 2022 Collection celebrates the timeless casual elegance of Italy, with its incredible light, nature and old towns. Linen and cotton: the same natural fabrics our grandmothers used to wear, but with a SEP twist.

Tradition is not old. Tradition is modern identity.

THE SEP STORY

About SEP

SEP hand-embroidered accessories blend hallmarks of premium Middle Eastern craftsmanship with high quality Italian style. SEP creations are one-of-a-kind, distinguished by their ancient yet contemporary patterns and sophisticated feel.

Every stitch tells a story

Each piece is hand embroidered by a single talented artist. Women who continue the time-honoured, cross-stitch technique that has been passed down from generation to generation. The artists who are passionately stitching the unique SEP pieces, happen to be refugees.

Our promise: Mutual Happiness

We provide fortunate consumers access to beautiful, bespoke and elegant lifestyle accessories. Together with the SEP community, we empower less fortunate women who have the skills to create beautiful works of art, with professional, personal and economic stability.
