

China World Trade Center CBD Tide Play Line

Hutongs and Skyscrapers Collide + Art Consumption

West General Cloth Hutong (9:00-10:00)

Classic camera position: green brick gray tile hutong and China World Trade Center three-piece set (CITIC Tower, China World Trade Center III, CCTV Tower) in the same frame, photography enthusiasts must shoot!

China World Trade Center (10:30-12:30)

Shop at trendy stores (e.g. Horizon 8 luggage store), free panoramic view of the CBD from the 6th floor terrace of the North Zone, and “Jing A”, a popular restaurant recommended for lunch.

Tonghui River (16:00-18:00)

Take a walk along the river in the evening, the CBD is reflected in the water as the hustle and bustle of the city fades away, and at night, the three buildings are lit up and transformed into a cyberpunk world.
