(i) Structural Limited Warranty: Our Grand Surfaces floating floors are free from manufacturing defects.

(ii) Wear Limited Warranty: The vinyl surface layer of the Grand Surfaces floating floors will not wear. "Will not wear" is defined as a 100% reduction of the vinyl surface layer over an area comprising 5% of the total surface area of the flooring installed with Grand Surfaces products.

While moisture will not affect the floor's integrity within these standards, exceeding them may promote mold and/or mildew growth. Please note that this Warranty does not cover:

- (i) Damage to surrounding structures, walls, subfloors, fixtures, furniture, underlayment, moldings, trims, subfloor heating elements, or anything that is not the floor plank or tile.
- (ii) Damage resulting from mold and mildew growth due to prolonged exposure to water or moisture exceeding the designated length of time provided under this warranty.
