FABRIC CLEANER

Product Description:

Fabric Cleaner is a dry, creamy foaming cleaner, formulated to gently “dry clean” all types of automotive interiors. Effectively cleans fabric, velour, vinyl, carpet and leather surfaces without saturating the material. Ideal for headliners and other delicate fabrics. VOC COMPLIANT.

Product Details:

- Biodegradable
- VOC Compliant
- Water Base
- Body Shop Safe
- Ready To Use
- NPE Free
- Color: White Foam
- Fragrance: Odorless

Packaging:

16 Oz. Can: AHF-400

Features & Benefits:

- Rich, Dry-Clean Foam Lifts Away Dirt, Soil and Grime
- Quickly and Effectively Cleans While Leaving Surface Clean and Dry
- Designed for Velour, Cloth, Carpets and Upholstery

Application: *Shake well before using. Read label before use. See SDS for more information.*

Hold can in upright position, 8-12 inches (20-30 cm) from surface. Point opening of spray button toward object to be cleaned. Press spray button firmly and spray area liberally until wet with foam.

Fabric Cleaner: Apply AHF-400 fabric cleaner. Dampen coarse cloth or sponge and rub gently, but briskly to remove soil from surface. Wipe away any remaining foam with clean cloth. After drying, restore texture to fabric with soft bristle brush, brushing gently in one direction. When cleaning vinyl or leather, apply foam cleaner to entire surface, then repeat cleaning procedure above. Buff lightly after drying.

Helpful Tips:

Keep from freezing (32 °F/0 °C). For best results, can and material should be at room temperature, 70°F - 90°F (21° - 32°C). Do not apply to hot surface or let dry on surface.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
