***Professor PODS our travelling scientist Pro
Is looking for a brand new place to go...***

He turned on his radio, and oh what a stress,
He heard the cries of a magical Princess.

“Help us! Help us! We can’t get out!”

“We’re trapped in my palace and there’s a dragon about!”

But Professor PODS wasn’t afraid of a fight,
His skills could deal with any burn or bite.

For you see, Professor PODS was the world’s best inventor,
And his magical PODS could travel on any adventure.

“Perfect! Another quest has just begun!”

“Rescuing a Princess will be so much fun.”

“Mrs Badger, here’s a story you’ll never believe!”

“There’s a Princess in a castle and she cannot leave!”

Mrs Badger sipped her tea and began to chuckle,

“Why do Princesses always get into trouble?”

“There’s a magical Princess from a palace far far away.”

“And if we hurry we can get there in just a day!”

So they hitched a ride in their magical POD,

The Professor and Mrs Badger were an unstoppable squad.

The palace was tall and reached up to the clouds,

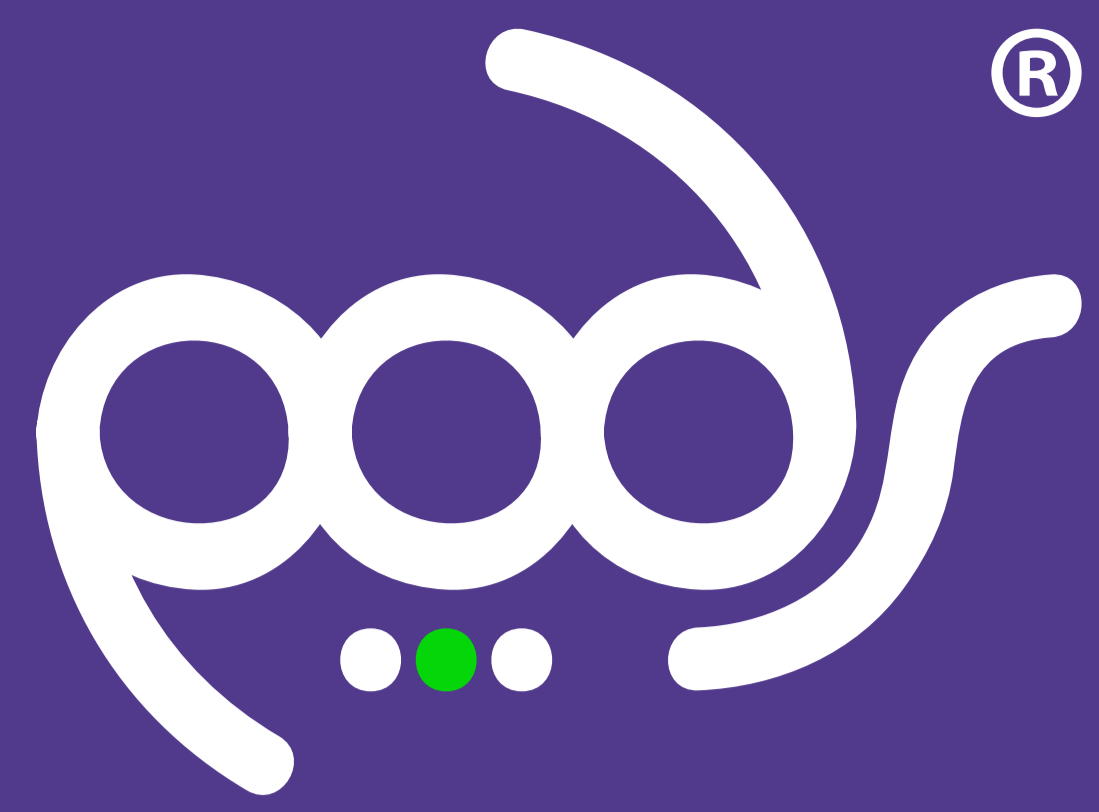

Royalty and villagers were gathered in crowds.

“Help us, please! The dragon’s caused a nightmare.”

“We must save the kingdom, it’s simply not fair.”

The fear in their eyes as the crowds began to panic,

A dragon on the loose, the atmosphere was manic!
