

SUB AQUA QUEST

WRITTEN BY TOM WALSH AND ALEX FORD

***Professor PODS our travelling scientist Pro
Is looking for a brand new place to go...***

So now he's going to make a wish,
To meet all the different deep sea fish.
And then that night, after he went to sleep,
He dreamt of all the fish in the deep.

And the next morning, to Mrs Badger he made the call,
Discussing over a breakfast that wasn't so small.
"Haven't you always wanted to dive in the ocean?
To see the fish in their daily commotion?"

Mrs Badger sipped her tea and laughed,
"The ocean can be dangerous, don't be daft!"
But Mrs Badger knew Professor PODS is an inventor,
And his PODS could travel on any adventure.

"We'll take the POD, we can make it transform!"
"Have you packed your sketchbook with everything you've drawn?"
Professor PODS was looking for all kinds of fish to draw,
Like lobsters or starfish on the ocean floor.

"This should be great to add to your collection,
Of pictures and paintings and memorable connections"
So together they packed and then climbed on board,
And behold, the POD was suddenly transformed!

Now their POD was a golden submarine,
And they could look for all the creatures from last night's dream.
They left PODS laboratories with a simple mission,
To dive down below for some deep-sea fishin'.
