## WPE

# Workplace Protection Equipment

---

Getting back to the workplace safely is so important to getting our lives and economy back to normal.

fluidconcepts is dedicated to being a leader in providing the best solutions for workplace protection, whether it be in the office or other workplace settings.

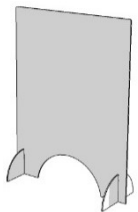

# Protective Counter Screens

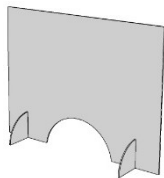

Personal desk and counter protection in the workplace has never been more important.

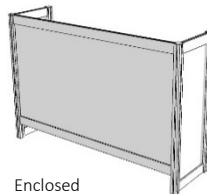

Our screens are offered in framed or unframed versions and in 5 different styles across many different sizes.

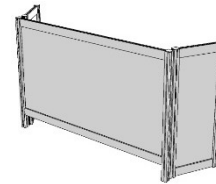

All-Clear - Vertical

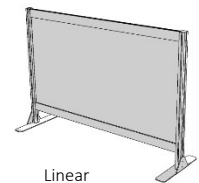

All-Clear - Horizontal

Desk/Worksurface Mount

# Flag Screens

fluidconcepts' Flag Screens are freestanding post centric screens that enable space division and physical protection.

Flag Screens can be used in a multitude of applications including office, seating, public, healthcare and hospitality environments.

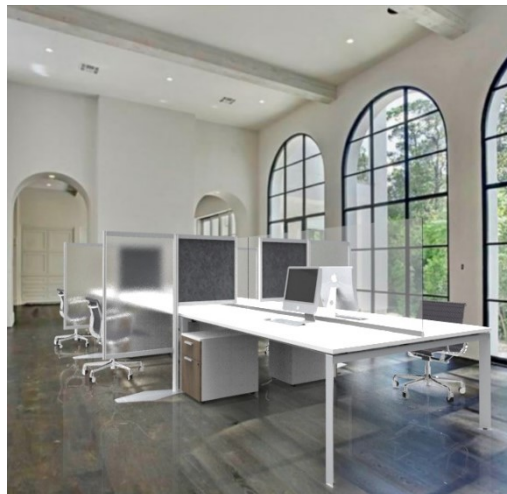

Single Sided

Double Sided - Offset

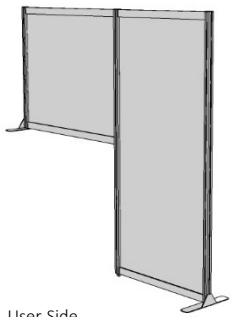

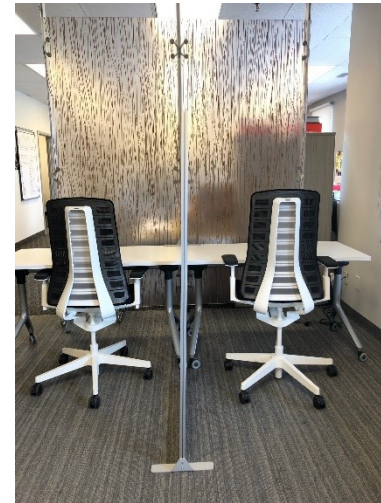

Double Sided Short

Double Sided Tall

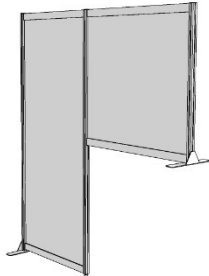

# Step Screens

fluidconcepts' Step Screens offer rapid set-up partitions for use in existing benching, table or open seating applications.

# Pop-Up Spaces and Screens

fluidconcepts Pop-Up Space and Screen system offers a rapid set-up and take-down of walls and rooms.

The screen system can be hard or flex connected to make partitions and rooms or used independently with feet for easy mobility.
