KOMBI

"The Crowd Favourite"

If you're looking for reliability and versatility, the Kombi Classic is the machine for you. The most popular linemarking machine in the world.

1.5 to 6" line marking widths.
25 litre paint tank capable of marking a full sized league/rugby field with one fill or two football/soccer fields.

5 litre on board wash tank. Flick of the tap and the line and pump is flushed in 10 to 15 seconds.

SLA Battery.

The adjustable wheeled knib means the Kombi can also be used on a wide variety of sporting surfaces.

Independent arms on the Wheeled Knib ensures full contact with the ground giving crisp well defined lines.

Centre or side marking (side set up makes for easier circle marking)

Fully adjustable handle bar/grips to suit the individual.

Grass, Hard & Synthetic Surfaces.
