HEMP TECH LABS

Water Soluble Nano Cannabinoids
"World Leader in Nano Technology"

NANO HEMP TECH LABS

OUR PROCESS

Nano Hemp Tech Labs provides a proprietary nano emulsification process.

NANO HEMP TECH LABS

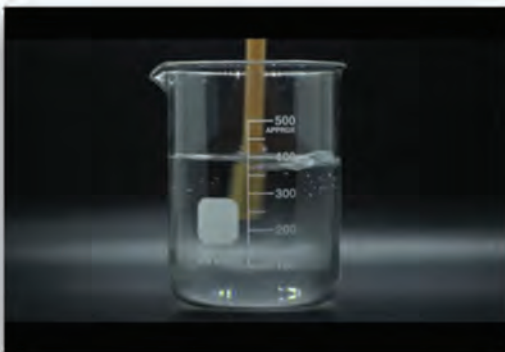

NANO APPLICATIONS

Nano CBD, Nano Delta 8 THC and Nano Delta 9 THC are applied in food, beverage, cosmetic and pharmaceutical products.

FOOD

Using Nano-technology when creating and formulating your delicious cannabis infused edibles will offer fast acting effects, reduced costs and wastes, and ensure more accurate dosing!

Nano emulsified cannabinoids are the perfect solution when formulating a cannabis infused edible with amazing taste, perfect dose, powered by the world's leading water soluble nano cannabinoid ingredient.

BEVERAGE

Formulating a great tasting, perfectly dosed cannabis beverage has never been easier.

Nano emulsified cannabinoids are the perfect solution for formulating a cannabis beverage with amazing taste, perfect dose, powered by the world's leading water soluble nano cannabinoid ingredient.

COSMETICS

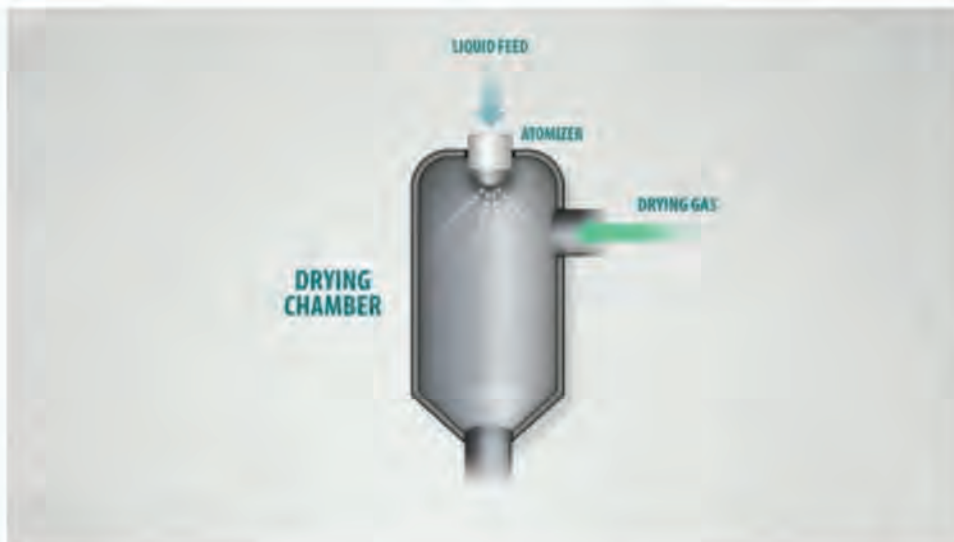

The use of Nano-Cannabinoids is rapidly growing in the cosmetic and beauty industry.

Nano emulsified cannabinoids are crucial for formulating a cannabis infused cosmetic or topical with high potency, smooth consistency, powered by the world's leading water soluble nano cannabinoid ingredient.

NANO HEMP TECH LABS

TRU-NANO TECHNOLOGY

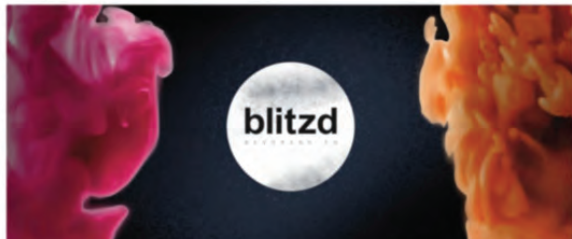

Our Tru-Nano Technology is a proprietary formula and process which has positioned Nano Hemp Tech Labs as a world leader in nano cannabinoids for both Nano Water Soluble Delta 9 THC, Nano CBD and Nano Delta 8 THC. Our facilities and equipment are designed for massive commercial scale.

Our ability to produce 1000's of kilos in a short time period allows us to work with commercial scale clients as well as compete with any other nano company on price for smaller scale companies looking to add a cannabis product to their catalogue or bring revolutionary nano technology to their already existing cannabis products.

With over 25 years collective experience in Tru-Nano technology for the food, beverage, cosmetic & nutraceuticals industry, we are the best option for Nano Cannabis on the market.
