# A4 Page Template

File Notes:
- All artwork must be on one print layer
- Must fit one of the page sizes (any graphics outside the margin will be cut off)
- Must have a minimum of 5mm margin, 6mm / 0.25" is prefered
- All artowork should be colored in as CMYK NOT RGB
- Black should be colored as 100K not a process CMY mix
- White should be colored as "white" (0C, 0M, 0Y, 0K)
- File should be saved as a PDF or Adobe Illustrator file
- White will be printed under all color except for true black automatically
- All text must be outline and not sent as editable text

Colors - All decals are printed in CMYK
- Cyan (C)
- Magenta (M)
- Yellow (Y)
- Black (K)
- White (W

100C   100M   100Y   100K   100W

Other colors are printed by mixing the 4 colors.

100M   100Y

Mixing 100M and 100Y will product RED.

Stay on the inside of the black border. Anyhting on our outside of the border will be cut off.
