**4 reasons to prefer TéraPO Junior products...**

- 100% natural ingredients that gently take care of children's skin and hair
- A range designed and manufactured in Canada
- Biodegradable products, which decompose in nature
- Treatments for children, designed by parents who care about the environment

### SIMON'S SHAMPOO

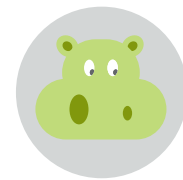

Simon the fish always enjoyed playing in the water, blowing bubbles and laughing. The environment is really important for Simon and he takes the best products for his hair!

\* Also available in 1 litre format.

### MADELEINE'S SHOWER GEL

Madeleine the Whale loves to splash in the water and to rub her belly. The environment is really important for Madeleine and she takes the best products for her skin.

### THEO THE HIPPO'S CREAM

Theo the Hippo takes good care of his delicate, sensitive skin. Theo is very strict when it comes to the environment and chooses only the best for his skin. Protect and moisturize your skin like Theo the Hippo.

### DIEGO'S CONDITIONER

Diego the monkey is really funny and he always takes care of his hair before bedtime! The environment is really important for Diego and he takes the best products for his hair.

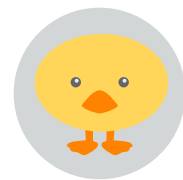

### MARION'S HYDRATING & DETANGLING SPRAY

is a new addition to our Terapo Junior Line. It allows you to brush the most tangled hair with ease & to condition at the same time.

### EMIE'S CLEANSING FOAM

Emie the mouse is small and with very sensitive skin. Emie is very strict when it comes to the environment and chooses only what's softer and friendlier for her skin and hair.

### GEORGE'S BUBBLE BATH

George the Duck loves playing in the water with lots of bubbles, with gentle, all-natural suds. George is very strict when it comes to the environment and chooses only the best for his bathwater.

\* Also available in 1 litre format.
