To Celebrate the new release, try out **CLUE®:** **Diary of a Wimpy Kid** **Hot Mess Edition!**

Fall is here and Manny is still missing! To celebrate the release of Diary of a Wimpy Kid's 19th installment, we've put together a mini expansion. Play the classic mystery game with a Wimpy twist and a Hot Mess on the side!

EXPANSION #1 - GRAMMA JOINS!

The attached Gramma miniature cutout and new player power may be used by a player to replace one of the existing game characters. Don't forget to grab Gramma's accompanying character card!

EXPANSION #2 - MEATBALL MESS!

The attached meatball cutouts can be placed over the blue movement area on the board. When a player moves their character onto a space covered in meatball mess, they immediately slide in a chosen direction until they reach a wall or room.
