## **OBJECT OF THE GAME**

Be the first player to collect six cards.

## **GET STARTED**

Choose a player to go first. Play then continues clockwise.

## **ON YOUR TURN**

1. Roll the die to decide a category.
2. Another player takes the front card and reads you the question from that category.
3. If you answer correctly, the card goes to the back of the deck. Roll the die again to go for the 'collector' question.

### **ON YOUR TURN (CONTINUED)**

4. This time, if you answer correctly, keep the card in front of you.
5. To win another card, you must correctly answer a question on a new card, then correctly answer a 'collector' question on the next card.
6. Keep going until you get an answer wrong. This ends your turn.

### **WINNING THE GAME**

The first player to collect six cards wins the game!

### **SPEED GAME**

For a quicker game, you win a card every time you answer a question correctly. You can also add the cards to a standard boxed version of Trivial Pursuit and play the classic board game!
