

# 2GO launches four new gel inserts for high heel pain relief

2GO launches four new gel inserts for high heel pain relief. 2GO Super Cushions are excellent shock-absorbers. The 3/4-insoles are made of soft gel and provide comfort for both heel and forefoot. They also prevent the foot from slipping in the shoe and counteracts friction/chafing. 2GO Heel Cushions provides shock-absorbing comfort for the heel. They reduce strain on feet and back. 2GO Heel Liners prevents the heel from sliding on the back edge and counteracts friction/chafing. They protect the heel cap and provide increased comfort. 2GO Ball Of Foot Cushions provide shock-absorbing comfort for the ball of the foot.

All new gel inserts prevents the feeling of burning feet when wearing high heels. They are all made to prevent the foot from slipping in the shoe and counteract both friction and chafing. Available right away.
