

# 2GO launches freshener insert bags for smelly shoes

Keep your shoes fresh! 2GO launches Refresh that absorbs moisture, eliminate bad odors and leaves a fresh scent. The revolutionary insert bags can be placed in shoes, drawers, wardrobes, bags or sports equipment and work effectively during the night. 2GO Refresh contains natural absorbents. Each pack contains a pair of lightly scented insert bags. They are launched in four different colors, available right away. A limited edition sample bag is available for retailers to use in-store.

## About 2GO

2GO is a lifestyle brand committed to sustainability, quality and customer satisfaction. The products help people get the most out of their footwear, no matter what their lifestyle may be. Affordability, effectiveness and ease of use will always be at the core of the 2GO brand values. The wide range of products are all designed to make shoes look and feel great, all year round.

Whether you're looking for a cleaner to remove dirt and grime, a protectant to shield your shoes and apparel from water damage and stains, a polish to restore shine and luster to your leather shoes, insoles to provide added comfort and support, or icegrippers for a safe run in the snow, 2GO has the right product for you. So why wait? Embrace the 2GO lifestyle today and start taking better care of yourself and your footwear.
