ULTRA CONCENTRATE - CAR WASH SHAMPOO

Mothers® Automated Solutions™ Triple Action Foam Wash is an ultra-concentrated blend of pure surfactants, delivering unmatched lubricity and scratch protection thanks to its penetrating polymer surfactant foam blend that safely dissolves, lifts and suspends dulling contaminants. This versatile formula increases in strength—and foam—based on your needs, yet remains safe and effective on every

exterior surface. Whether you're looking for a quick, all-purpose super-sudsing shampoo, or an insane foam concentrate to use in your favorite foam generating applicator, you'll be left with a perfectly clean, streak-free shine. And best of all, it won't strip waxes, sealants or ceramic coatings, regardless of strength because of its dilution-optimized pH balanced and environmentally friendly formula.
