EQUIPMENT CLEANER

MFE-02

ULTRA CONCENTRATE - FACILITY MAINTENANCE

Mothers® Automated Solutions™ Equipment Cleaner helps you maintain the extremely pricey investment that is your car wash equipment with safe acid technology. This moderately foaming formula easily charges through hard water scale, alkaline residue, light rust, and inorganic soil types on walls, floors, equipment, windows, and other hard surfaces. The best part? It is safe on, glass, aluminum, stainless

steel, concrete, brick and more, even with its supercharged cleaning power thanks to its low pH formula! Rest easy, knowing your employees will not be exposed to any dangerous chemicals with this safe and effective cleaning product. Just foam it on, gently scrub, and rinse it off and enjoy the restorative nature of this product that will leave your equipment looking years younger!

ADVANTAGES

- ◇ Cuts through water scale, alkaline residue, light rust, and inorganic soils on car wash equipment
- ◇ Does not contain muriatic acid, ABF, HF, sulfuric acid, phosphoric acid or solvents
- ◇ Advanced formula clings to vertical surfaces
- ◇ Safe to handle and transport

DIRECTIONS FOR USE:

- ◇ Light Strength: Dilute to 1:5-10
- ◇ Medium Strength: Dilute to 1:1-4
- ◇ Heavy Strength: Ready to use
- ◇ Apply to dry surface if possible and allow to dwell for a few minutes. Do not let dry.
