HO-SM

### ULTRA CONCENTRATE - CERAMIC WAX

Mothers® Automated Solutions™ Hybrid Ceramic Wax is a proprietary and revolutionary formula that will provide your customers with a reason to gloat about their vehicle's deeper, more reflective shine and smoother feel. Featuring a balanced blend of advanced science and traditional car care, this formula seamlessly unites the trusted and time-tested natural protection of #1 yellow carnauba

wax with the cutting-edge ceramic technology of today. Our Hybrid Ceramic Wax delivers a fortified shine that repels water and contaminants with ease thanks to our ultra-slick formula that leaves you with a ceramic protected, liquid-gloss appearance. This product will allow you to confidently provide your customers added value to your top tier wash packages.

### ADVANTAGES

- ◇ Enhanced color, gloss and clarity
- ◇ Super-hydrophobic ceramic durability
- ◇ Unites traditional carnauba wax with modern ceramic technology
- ◇ Compatible with Friction, Touch-Free or Self-Serve applications

### DIRECTIONS FOR USE:

- ◇ Foam Generators: 4-6 mL at up to 1000:1
- ◇ Sheet Foamer: 14-20 mL
- ◇ Foam onto vehicle with low air pressure
- ◇ Rinse off with spot free water
