TECHNICAL BULLETIN BODY SHINE

MS-01

ULTRA CONCENTRATE - LOW PH CAR WASH SHAMPOO

Mothers® Automated Solutions™ Body Shine is a high-efficiency, low-pH proprietary blend of surfactants and detergents formulated to deliver exceptionally deep cleaning of the clear coat. This step is pivotal in the **Mothers® Automated Solutions™ Ceramic System** as it prepares the vehicle's body for optimal bonding of our exclusive hybrid ceramic products that are applied in the second half of the

wash cycle. This product performs extraordinarily in all wash types and can be used as stated or as a pre-soak in a 2-step Touch-Free wash. Either way, apply **Body Shine** with your applicator of choice and enjoy the improved drying performance and flawless reflectivity, depth, and clarity. NOTE: This product is intended to be applied solely through car wash equipment and should not be handled with bare hands.

ADVANTAGES

- ◇ low ph formula Deep cleans surface and brightens the clear coat
- ◇ Ensures optimal bonding of surface enhancement products
- ◇ Improved drying performance
- ◇ Compatible with Friction, Touch-Free or Self-Serve applications

DIRECTIONS FOR USE:

- ◇ Foam Generators: 3-5 mL
- ◇ Usage confirmed by targeting a specific pH level
- ◇ Acidity provides a pH of 3.0 when diluted at 1200:1
- ◇ Prevent this product from drying on surfaces

ADDITIONAL INFORMATION:

Specific Gravity:	1.3	Available Colors:	White
pH of Concentrate:	<1	Scent:	Unscented
Recommended Dilution:	Up to 1200:1	Foam Profile:	High
Reclaim Compatible:	Yes	Wash Types:	Friction, Touch-Free, Self-Serve
Does Not Contain:	Phosphates or APE/NPE/OPE Surfactants	Safety/Cautions:	Refer to SDS Sheet for all safety, hazard and first aid information.
