

# Auto-Retractable Metal Squeeze Knife WITH SLICE® CERAMIC BLADE

# #10493

ambidextrous

lanyard hole

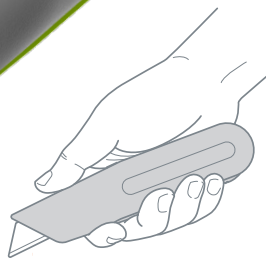

finger friendly®

durable metal handle

squeeze handle to expose blade

ergonomic design

includes 1 Slice® ceramic blade

easy, no-tool blade change

## longer-lasting Slice® safety blades

never rust

non-conductive

non-magnetic

chemically inert

safe up to 1600°C

no sharps box needed

no oil coating

## Why Slice®?

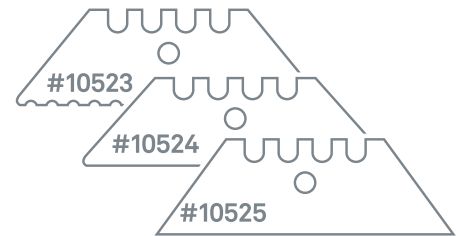

- Slice patented safety blades are safer than traditional blades
- Slice blades last up to 11.2x longer than steel blades
- fewer blade changes means less downtime and fewer injuries
- Slice blades never rust, do not conduct electricity, and are non-magnetic
- Slice blades are oil and lubricant free
- safer finger-friendly® edge cuts materials effectively
- blades are 100 percent recyclable
