Disposable Film
Cutter

KLEEN™ Antimicrobial
Enclosed Blade Cutter

Metal Detectable
Ideal for Food Manufacturing facilities

Ideal for supporting your existing hygiene protocols

NSF **KS SERIES**
100% STAINLESS STEEL

Food Zone Certified

- 100% Stainless steel handle, carriage, blade
- Metal detectable
- Replacement blades available

NSF **KLEVER EXCELPLS™**
METAL DETECTABLE

- Metal detectable plastic
- Wide blade opening for cutting double-wall and thick materials
- Recessed, high-quality carbon steel blade
- Disposable

NSF **KLEVER KUTTER**
NSF FOOD ZONE

Food Zone Certified

- Available in six (6) HACCP aligned colors & metal detectable
- Rust resistant stainless steel blade
- Dishwasher / Autoclave safe
- Disposable

- KCJ-1SSBX – BLUE
- KCJ-1SSFY – GREEN
- KCJ-1SSRX – RED
- KCJ-1SSNX – BROWN
- KCJ-1SSYX – YELLOW
- KCJ-1SSWX – WHITE

NSF **KCJ-1SSMDX**
DARK BLUE
METAL DETECTABLE

ISO 22196 CERTIFIED KLEEN™ ANTIMICROBIAL XCHANGE & REPLACEABLE BLADE HEADS
Keep the handle, replace the head for an eco-conscious solution

KCJ-XC-20X

Ideal for single-wall / thin materials
Dual-sided for 2X use

KCJ-XC-30X

Ideal for double-wall / thick materials

KCJ-XC-35X

Multi-purpose wide blade with scraper and extra tape splitter

KCJ-XC-65X

XD Extra Durable head for curved cuts through double-wall/thick materials.
LASTS 4X LONGER

KCJ-XH-20X

KCJ-XH-30X

KCJ-XH-35X

KCJ-XH-65X

ISO 22196 CERTIFIED KLEEN™ ANTIMICROBIAL
KLEEN™ KUTTER

KCJ-1X – LIGHT GREEN

- Advanced antimicrobial KLEEN™ material
- Recessed, high-quality carbon steel blade
- Disposable

NSF **NSF CERTIFIED DISPOSABLE FILM CUTTER**

Food Zone Certified

- Available in three (3) HACCP aligned colors
- Ideal for cutting film, stretch, shrink wrap, plastic bags and vacuum-sealed bags
- Recessed, stainless steel blade
- Disposable

NSF **RAZE® BAG CUTTER**

Food Zone Certified

- Ideal for cutting food pouches, plastic bags, shrink wrap
- Featuring a plastic tape splitter
- Recessed, stainless steel blade
- Disposable

NSF **RESTAURANT SAFETY CUTTER**

Non-Splash Zone Certified

- Auto-locking safety hood auto-closes to cover the blade after each cut
- Embedded, stainless steel blade
- Disposable

NSF **MD DISPOSABLE FILM CUTTER**

- Metal detectable plastic
- Ideal for cutting film, stretch and shrink wrap
- Recessed, high-quality carbon steel blade
- Disposable

ISO 22196 CERTIFIED KLEEN™ ANTIMICROBIAL
KLEEN™ DISPOSABLE FILM CUTTER

- Ideal for cutting film, stretch and shrink wrap
- Recessed, high-quality carbon steel blade
- Disposable

ISO 22196 CERTIFIED KLEEN™ ANTIMICROBIAL
KLEEN™ ENCLOSED BLADE CUTTER

- Ideal for cutting corrugate/cardboard, stretch/shrink wrap, plastic banding and tape
- Featuring a metal tape splitter
- Recessed, high-quality carbon steel blade
- Disposable

NSF **AUTO-RETRACT METTI™**
MD SAFETY KNIFE

- Slim, heavy-duty metal handle
- Metal detectable
- Rust-resistant, durable stainless steel blade
- 2 locked cutting depth options of 19mm/5mm
- Easy, tool free blade change

NSF **AUTO-RETRACT VOLO™**
MD SAFETY KNIFE

- Lightweight and compact
- Metal detectable
- Rust-resistant, durable stainless steel blade
- 13mm cutting depth
- Easy, tool free blade change

NSF **AUTO-RETRACT VOLO™**
MD DISPOSABLE SAFETY KNIFE

- Lightweight and compact
- Metal detectable
- Rust-resistant, durable stainless steel blade
- 14mm cutting depth
- Disposable
