Please read your plan thoroughly so that you understand what is covered and what is not.

Basic things that are covered are:

Household Stains

Unknown Stains are **NOT** Covered

Guardsman will only do one (1) complete replacement per piece of furniture. Guardsman will service the same piece of furniture as many times as needed during the five (5) year warranty period as long the piece is not a complete replacement. Once you file your claim, Guardsman will contact you with the disposition and tell you how things will proceed. Guardsman will then contact us and tell us what is happening so we can order parts or prepare for a reselection.
