

V1 – EXTRATERRESTRIAL... OR JUST ABOUT!

At fourteen, Aurélie Laflamme doesn't feel particularly close to anyone. Since her father died, her mother has become some sort of a zombie, except all of a sudden, she's back to life (and even wearing edgy underwear!). Could there be a connection with Denis Beaulieu, the school principal? (OMG!) As for her best friend, Kat, love has rendered her brain uncharacteristically mushy. No way that's happening to her, neither! But it seems no one is truly safe from love at first sight... And in the middle of all this chaos, there's only one thing Aurélie really wants: to find her place in the universe.

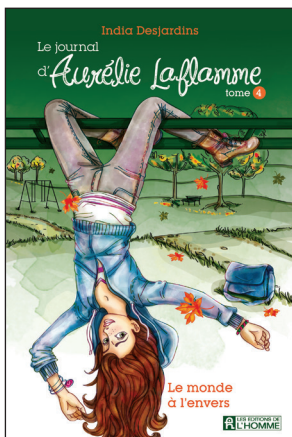

V2 – ABOUT TO LOSE IT!

Aurélie's had enough! Her mother's so completely immature! That explains why she takes up Internet chatting to get a boyfriend! Even if you never know what kind of maniac you could be chatting with! Then her best friend, Kat, already suffering from a broken heart, rebels against every male on planet Earth (even her own father) and proposes the two girls sign a pact not to have boyfriends until they graduate from high school! Aurélie's heart is torn between her promise to her best friend and her feelings for Nicolas, which are becoming stronger every day. And to top it off, her new neighbor is pretty invasive and Aurélie has to bear down to improve her grades... Phew!

V3 – SUMMER AT MY GRANDMOTHER'S

On the eve of her fifteenth birthday, Aurélie Laflamme decides it's about time she became more mature. It's simply not acceptable to continue being invaded by all sorts of uncontrollable emotions! Regardless of her breakup with Nicolas, her disappointing grades and the fact that her mother is taking a trip across the Atlantic with her new boyfriend (possibly evil), Aurélie (aided by all the chocolate she can get her hands on) has every intention of staying calm. Good thing the school year's almost over, she'll finally be able to catch her breath and put her new attitude into practice! Over the holidays, Aurélie goes to the country to stay at her grandmother's. If she imagined she'd be spending the summer in a totally peaceful place (just shy of depressing), listening to the sparrows chirping and watching earthworms performing their traditional mating dances, in all actuality, a host of adventures await her.

V4 – UPSIDE DOWN

The winds of change are blowing through Aurélie's life. The closing of her private-girls-school-with-uniforms has forced her (after losing a fierce battle of rockpaper-scissors against her best friend Kat) to attend a public-school-with-no-uniforms-but-loaded-with-boys. Aurelie is now facing a daily and seemingly intractable problem: what to wear each morning? After all, she has to have everything going for her in order to face her most recent worst enemy: the new girlfriend of her ex-boyfriend, Nicolas. As if that wasn't enough, her mom's boyfriend François Blais (aka Satan reincarnated) is increasingly around, which becomes totally unbearable.
