

Jacques Salomé

The author of some 35 essays, novels and poetry collections, Jacques Salomé is well known in French-speaking countries as a specialist in couple and family relationships and in personal development.

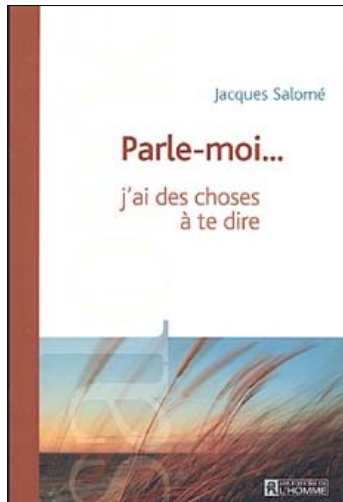

Who would I hurt if I were really myself? Listening to our self-saboteurs

45 000 copies sold in French in a year!

Rights sold to: Romania, Italy, Russia

224 pages - Format: 15.2 x 23 cm Publication: 2008

We are extraordinarily creative and amazingly tenacious when it comes to creating and maintaining the self-saboteurs that make us say or do exactly what we don't want to! By recognizing and coming to grips with them we can set ourselves free. This is a serious handbook for learning to love and respect ourselves more.

Talk to Me . . . I Have Things to Tell You 400 000 copies sold in French

Rights sold to: **Bulgaria, Czech Republic, Germany, Italy, Romania**

256 pages - Format: 15.2 x 23 cm - Publication: 2004

Despite tenderness, affection and hope, two beings in a relationship one day find themselves unable to communicate. How did they get to this point? Can their relationship be improved? The author asks why couples fall apart and identifies ongoing sources of trouble. But he doesn't stop there, rekindling hope by suggesting ways to develop intimacy and spontaneity and create room for negotiation so that the relationship can move forward.
