OUR COMPANY

Caffé Mondo originated from a passion to create traditional Italian coffee of the highest standard for you to enjoy at home. Our coffee is produced from only the finest quality beans sourced from around the world using state of the art roasting methods.

Our coffee range includes a selection of coffee blends, which cater to a variety of coffee drinkers. We supply beans, ground coffee and Nespresso® compatible capsules to the food-service industry, including cafés and restaurants, as well as to the corporate office sector. We offer state of the art coffee machines, servicing of machines along with other coffee related products such as sugar sticks, stirrers, biodegradable coffee cups, etc.

Caffé Mondo is an established distributor of many fantastic Australian brands to the retail industry nationwide. We proudly distribute strong recognisable brands from alternate milks and organic teas to muesli and gourmet dips to retailers such as supermarkets, gourmet and health food stores. The range of products we distribute include familiar supermarket lines and health foods as well as environmentally friendly domestic cleaning products.

We welcome you to our brand new showroom - 65 Glynburn Road, Glynde SA, where you can sample our delicious locally-roasted coffee.

BEANS & GROUND COFFEE

Caffé Mondo originated from a passion to create traditional Italian coffee of the highest standard for you to enjoy at home. Our coffee is produced from only the finest quality beans sourced from around the world using state of the art roasting methods.

ORGANIC TEA BAGS

Tea Tonic’s teas have been formulated by Naturopath and Herbalist Lisa Hilbert to produce naturally organic teas that are good for you, and great in taste! Our certified 'A' grade organic tea is harvested by hand to avoid contamination by machinery, contains no bulking agents and are left to dry naturally in the shade to ensure maximum retention of potency and essential oil.
