12mm 15mm ONE TOUCH BLEMISH PATCH

10mm x 15ea
(1 Sheet)

12mm x 12ea
(1 Sheet)

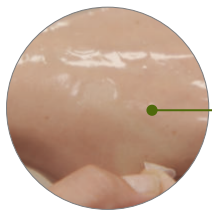

Clean Protector

Clean Film on the patch prevents blemish/spot from contamination by blocking external dust & bacteria.

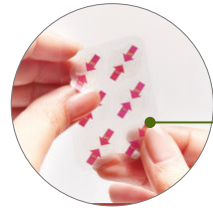

Ingredients

Formulated with Tea Tree, Cica, Salicylic Acid for faster healing, soothing and anti-inflammatory effects.

Waterproof

Top Coating & beveled edge design prevents water invasion while washing or sports/outdoor activity.

Clean Touch

One Touch Film helps applying patch in one second without dirt, folding, damage by nail or oily finger.
