AWARD-WINNING

ALL-NATURAL &

NON-GMO,

Moshi is a premium, award-winning sparkling beverage highlighting classic Asian flavors through real ingredients. The brand was founded in 2020 by a former chef who wanted to see more thoughtful and higher quality beverage options at restaurants, particularly familiar to the Asian American experience. To this end, Moshi's first products were a line of beloved yuzu beverages in four variations: original, unsweetened (0 calorie/0 sugar), white peach, and red shiso with apple — all made using yuzu sourced directly from Japan. In 2023, Moshi launched two new sparkling beverage lines, Matcha and Oolong Tea; each with four variations.
