

ELECTROLYTES
by Pure Aussie Sport

Blended with real fruit and the most complete mineral complex ever, so that you can hydrate like a champion.

EDGE™ Electrolytes is formulated with a Complete Ocean Mineral Complex to help provide rapid hydration by replacing important minerals that your body loses when you sweat. This way you can play harder, recover quicker and train smarter. EDGE™ is made with real fruit and contains NO artificial colours or flavours.

To get the most out of EDGE™ Electrolytes, please follow the directions below. Enjoy your EDGE™!

Directions

Add contents to 500ml (16.9 FL OZ) of chilled water and shake/stir well. If storing prepared beverage, keep refrigerated and discard after 24 hours. Product is made with natural ingredients and minor clumping may occur. This does not affect the quality of the product or its suitability for use. Store product in a cool, dry location away from direct sunlight.
