

Focused on Lines of Efforts

- Primary focus for the coming year is along three primary lines of effort
 - Strengthen
 - MGSA
 - STEM
 - Partnerships
 - Advocate
 - Legislative
 - Georgia Joint Defense Commission
 - Fundraising
- **Support Execution of the Robins Sustainability Plan and the Middle Georgia Innovation Project**
 - Studies identified to support future needs of Robins AFB and the community
 - Elasticity in the workforce and protect the missions we have
 - Innovation ensures Middle Georgia is the strategic asset the Air Force needs
 - Partnership of the MGSA under the GA-AIM award
- **Legislative Education / Advocacy**
 - A core mission of the Partnership
 - Both State Policy and Federal Legislative Agendas are complete for 2023
 - Living documents, will likely adjust as budgets released, agenda solidified
- **Robins Air Force Base P4 / Digital Air Base Wing Efforts**
 - Work to identify new and expand old P4 efforts
 - Includes Intergovernmental Support Agreements (IGSA), example is Robins North
 - Work to decrease cost of operations and expand facility space at Robins Air Force Base
- **Partnerships**
 - Expansion of the partnerships developed the last several years and implementation of additional partnerships with industry and universities here and in other States
 - Work with the Colleges and Universities in Middle Georgia
- **MGSA/GA-AIM**
 - LOE 1: Develop STEM pipeline throughout 11 county Middle Georgia Area
 - LOE 2: Implement Partnership Agreements with Industry, K-12 Schools, Colleges and Universities, and Innovation Centers
 - LOE 3: Implement Mobile Learning Programs through FVSU
 - LOE 4: Facilitate Technology Insertion and Innovation
 - Connect Middle Georgia businesses with GA AIM resources
 - Continue collaboration with school districts across Middle GA to increase student/parent/teacher awareness of STEM education and career opportunities at Robins
 - Expand agreements with MOA and others like the 21stCP/Robins AFB EN agreement
- **Fundraising**
 - Fundraising will be a priority in the coming year, continued re-engagement of community on pledges; built website to attract interest and that allows for easier donations
